## Letter from the Board

Fairmeadows Neighbors,

If you couldn't tell from the constant thrum of lawnmower engines and sneezing fits, spring has arrived in full force. It's wonderful to see lush, green lawns and budding flowers brightening up the neighborhood.

Many thanks to everyone who has supported the FNA this year. Our membership campaign has been a rousing success, with checks still trickling in even after we surpassed our goal for the fiscal year. Thank you so much for helping Fairmeadows remain a thriving community and a vital part of the SouthPark area.

One enhancement your dues have paid for is a secondary entrance sign, which has recently been installed on Anchor Street. The sign looks great and should help define our neighborhood among the wider community. Special thanks to the Boast family for accommodating the sign on their property. Next year the board is planning to buy another entrance sign, for the pool side of Eastburn Road.

Your board has also been in communication with Sharon Towers as they break ground on their first phase of site construction. Please let us know if you have any questions or concerns as the construction begins later this spring. Preparations for the enhancement of our front entrance that were a part of the conditional rezoning have also begun. More details to follow, but we should see big changes for the front entrance around the fall. A visual of the entrance enhancement can be seen below.

Lastly, mark your calendars for the last FNA-sponsored party of the season. This one is adults-only (sorry, kids!) and will be held May 9 from 7pm to 10pm in the Herrans' backyard (2918 Eastburn Road). Barbecue and sides will be served, so plan to come out and see old friends and make new ones. Be on the lookout for an Evite in your inbox or for a flyer if we don't have your e-mail address.

Have a wonderful spring, and thanks so much for helping support our great neighborhood.

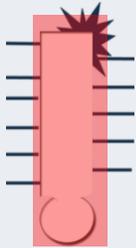

Respectfully,

*Chuck Gordon*, Board Member
